

# Pressure Washer Trailer Comparison

Powerful commercial grade mobile pressure washer trailers, with choices in hot or cold cleaning power and a variety of options. They are perfectly suited for contract cleaners, mobile detailers, municipal use, sanitation, poultry houses, and commercial properties. Equipped with DOT required components, you can take our pressure washer trailers on public roadways or wherever powerful cleaning action is needed. Manufactured in the USA. Freight is included in the price for continental US destinations, and trailers typically ship within 5-7 days of ordering.

Model	Water Tank	PSI	GPM	Water Temp	Engine	Start	Pump	Fuel Tank	Axel	Ships To*
